Enrolled Courses

School Based MyoProgram™

6. You have made it to the course's home page.

Starting the Course

7. One last step is to complete the enrollment by selecting Start Now.

Chatterton School-Based MyoProgram™ Login and Access Instructions

8. After you are enrolled, it will display continue.
9. From this page, you can view the Overview, Curriculum, and Instructor.

The screenshot shows the course page for 'School Based MyoProgram™'. The instructor is Jaimee Tyson-McOmie. The course category is 'School Based MyoProgram'. The course duration is 8 weeks, starting at a beginner level with 6 lessons, 1 quiz, and 8 students. The 'Overview' tab is selected, displaying the course goal: 'The goal of the School Based MyoProgram™ is to provide school-based SLPs with basic knowledge of Orofacial Myofunctional Disorders that will be useful and appropriate in the school setting. Learn to identify signs and symptoms of current students, advocate, and write appropriate goals for an IEP. Learn the relationship between Orofacial Myofunctional Disorders and articulation'. A list of five learning objectives is provided. A 'Continue' button is visible on the right side of the page.

10. Selecting curriculum will open the courses lessons and assignments.

The screenshot shows the course page for 'School Based MyoProgram™' with the 'Curriculum' tab selected. The curriculum list includes: Module 1 - Introduction to Orofacial Myofunctional Disorders, Module 2 - Identifying OMD Red Flags, Module 3 - Suspecting an OMD, Module 4 - Next Steps, Module 5 - Q & A, Course Review, and School Based MyoQuiz (10 questions, Final). The 'Continue' button and course dates (You started on: April 5, 2023; Course will end: May 31, 2023) are also visible on the right side of the page.

Modules

11. Selecting Module 1, will open the lesson for the student. The video for the related module will appear. Once you have completed watching the video, you will select the **Complete** button to continue to the next lesson.

A screenshot of a web browser displaying the Chatterton MyoProgram interface. The browser address bar shows the URL: https://chattertonmyocourses.com/myocourses/school-based-myocourse/mylessons/module-1-introduction-to-orofacial-myofunctional-disorders/. The page title is 'School Based MyoProgram™' and it indicates '0 of 7 items'. On the left, a sidebar menu lists course content, with 'Module 1 – Introduction to Orofacial Myofunctional Disorders' highlighted by a red box. The main content area displays the title 'Module 1 – Introduction to Orofacial Myofunctional Disorders' above a video player. The video player shows the Chatterton MyoProgram logo and the text 'Module 1'. Below the video player, a 'Complete' button is highlighted with a red box. A 'Next' button is visible at the bottom right of the page.

Live Question & Answer Forum

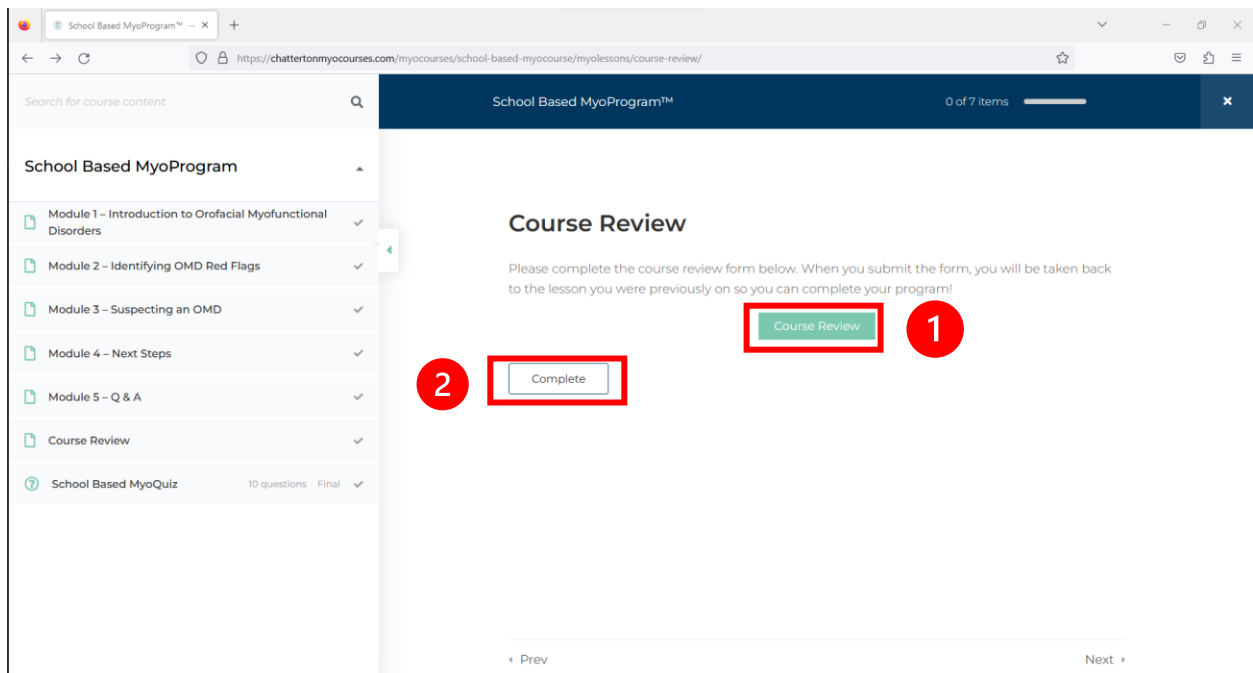

Stop here until you have attended the session.
Once you have attended the session, please complete, and continue.

The screenshot shows a web browser window displaying the Chatterton MyoProgram™ course page. The URL is <https://chattertonmyocourses.com/myocourses/school-based-myocourse/myolessons/module-5-q-a/>. The page title is "School Based MyoProgram™" and it shows "0 of 7 items". The main content area is titled "Module 5 – Q & A" and contains the following text: "The Live Question & Answer Forum is happening on on 5-18-2023 at 4:00 PM MST" and "Please do not complete this lesson until you have attended the Live Q & A." Below this text is a "Complete" button. The left sidebar shows a list of course modules: "Module 1 – Introduction to Orofacial Myofunctional Disorders", "Module 2 – Identifying OMD Red Flags", "Module 3 – Suspecting an OMD", "Module 4 – Next Steps", "Module 5 – Q & A", "Course Review", and "School Based MyoQuiz" (10 questions, Final). The bottom of the page has "Prev" and "Next" navigation arrows.

Course Review

12. After you complete the Q&A session, please complete the **Course Review**.
 1. Select Course Review
 - i. Complete course review (next screenshot)
 2. Once completed, you will be returned to the Course Review lesson, select **Complete**.

Chatterton School-Based MyoProgram™ Login and Access Instructions

A screenshot of a web browser displaying the 'Course Review Form' on the Chatterton MyoProgram website. The browser's address bar shows the URL 'https://chattertonmyocourses.com/course-review-school-based-myoprogram/'. The form itself is titled 'Course Review Form' and includes a sub-header: 'Please complete the course review form below. When you submit the form, you will be taken back to the lesson you were previously on so you can complete your program!'. The form contains several input fields: 'Name*', 'Course Dates', 'Course Instructors', and 'Location'. Below these are several dropdown menus for rating various aspects of the course: 'Quality of Instruction', 'Relevance of Material', 'Organization of Course*', 'Participation', 'Interest of Material', and 'Overall Evaluation', each with 'Excellent' selected. There is also a 'Review Comments' text area. The form concludes with three questions: 'Please answer the following questions.', 'Would you recommend this course to others in your profession?' (with a 'Yes' dropdown), and 'Why?'. A 'SUBMIT' button is located at the bottom right of the form.

3. Please complete all required fields.

Quiz

13. After you complete the Course Review, please complete the quiz. To start the quiz, select it from the course navigation and select **Start**.

The screenshot displays the Chatterton MyoProgram™ interface. On the left, a navigation menu lists several modules and a 'School Based MyoQuiz' at the bottom, which is highlighted with a red box. The main content area shows the 'School Based MyoQuiz' details: 10 questions, a duration of 00:00:00, and a passing grade of 80%. A 'Start' button is prominently displayed in the center, also highlighted with a red box. The browser address bar shows the URL: https://chattertonmyocourses.com/myocourses/school-based-myocourse/myoquizzes/school-based-myquiz/.

Completing the Course

Once you have successfully completed everything in the course, a Finish Course button will appear. Select that to complete the program!

A rectangular button with a white background and a thin black border, containing the text 'Finish Course'. The button is highlighted with a red rectangular border.

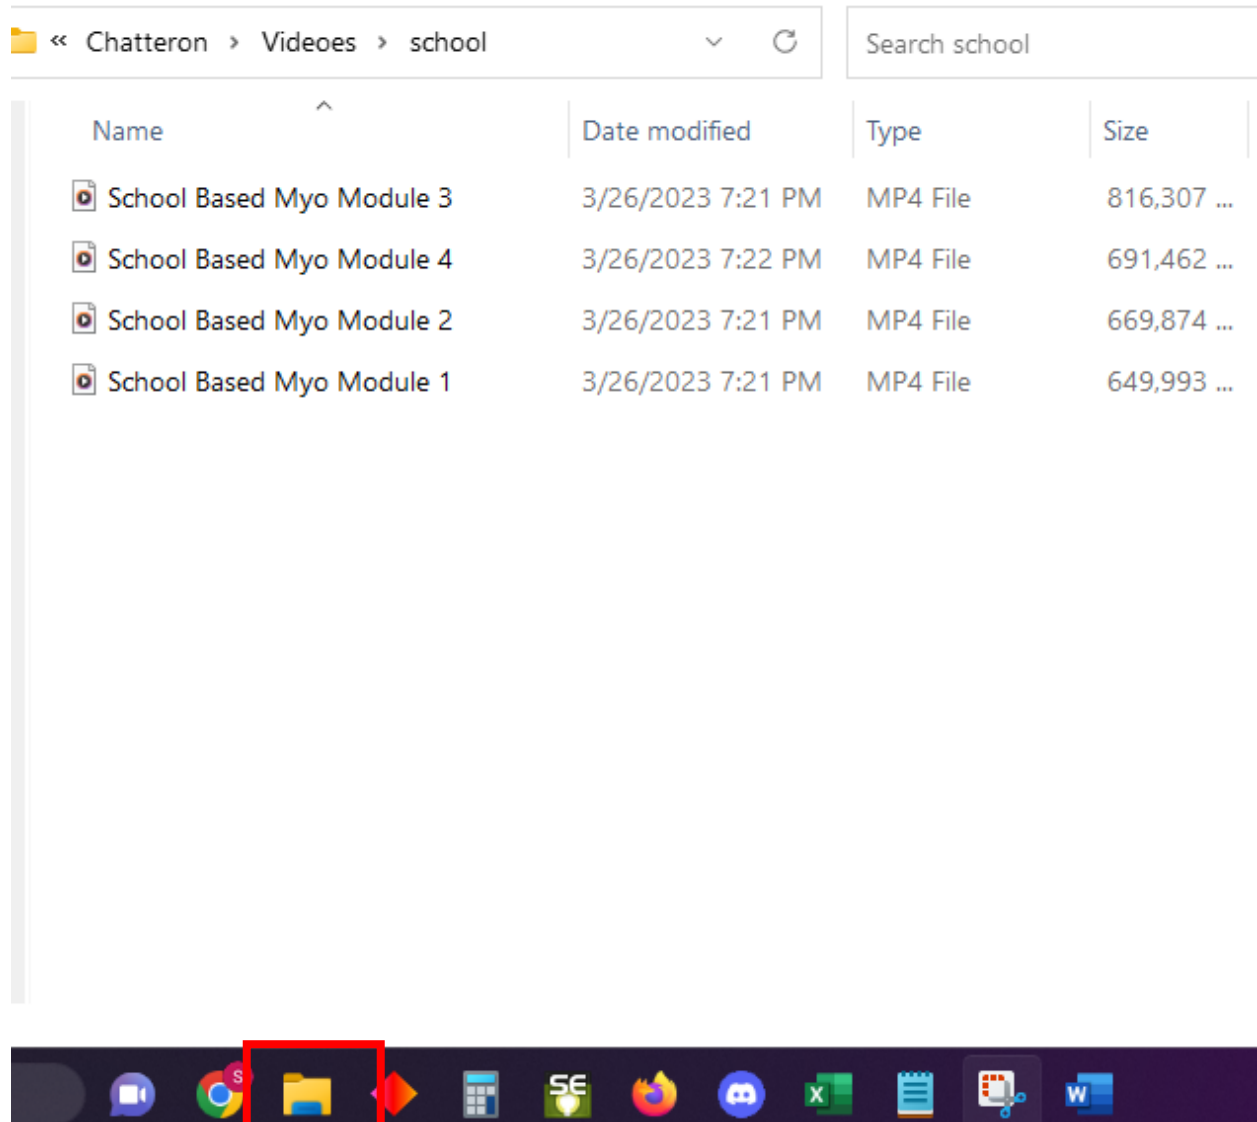

Finish Course

How to check file sizes

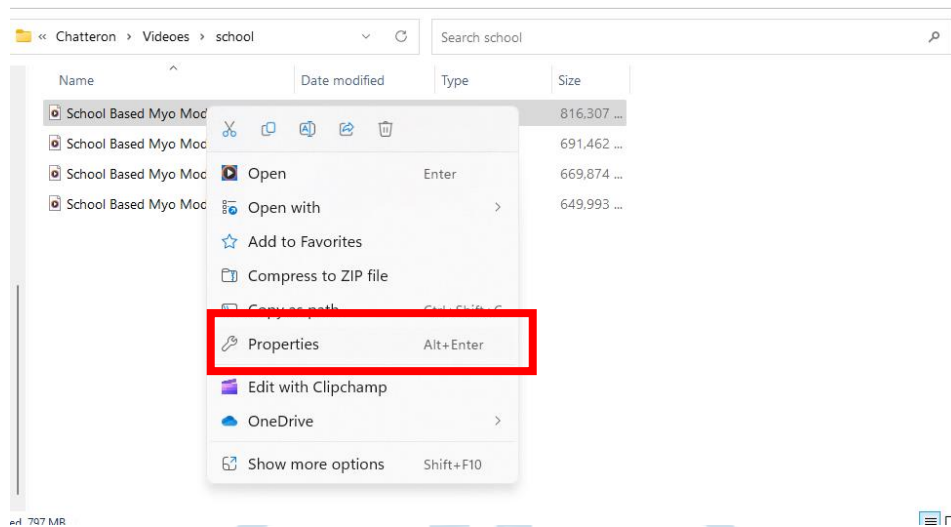

Example in Windows 11 – all operating systems should be a similar process.

1. Find file using the file explorer. (File folder Icon)
2. Locate your file.
3. Right Click on your file.

Chatterton School-Based MyoProgram™ Login and Access Instructions

4. Select Properties.
5. In the properties window you will see Size.
 - a. If the size is larger than 120 MB then please share using [Google Drive](#)
 - b. If the file size is smaller than 120 MB then please upload directly to the website.
